

**SUSTAINABLE
DEVELOPMENT
GOALS**

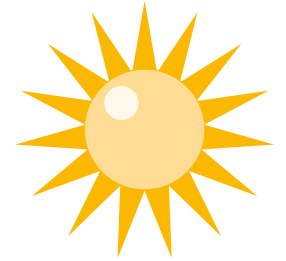

**22nd-26th
February**

University of
HUDDERSFIELD
Inspiring global professionals

The University of Huddersfield supports the Sustainable Development Goals

GREEN WEEK

Monday 22nd

Food Waste: Burn them, boil them but do not bin them*

12:00-13:00

Join Dr Angelis-Dimakis, Prof. Campbell and Prof. Du, from the School of Applied Sciences as they demonstrate different options to add value to your food waste!

Happiness Workshop: Techniques for coping with climate anxiety*

13:30-15:00

Join Helen and Christian from the People and Organisational Development Team as they explore happiness.

Tuesday 23rd

Championing Sustainability: how to be green everyday*

12:15-13:15

Hear from staff and student sustainability champions and be inspired to get involved at home and work!

The University of Huddersfield's Journey to Net-Zero: a panel event*

17:30-18:30

Join our expert panel as they explore the 'Carbon Neutral Strategy: A Ten-Point Plan for the Planet'; this is your opportunity to engage with senior management at the University on the sustainability agenda!

Professor Tim Thornton:

Deputy Vice-Chancellor

Professor Jane Owen-Lynch:

Pro Vice-Chancellor

Dr Byongjun (Phil) Hwang:

Reader in Physical Geography

Patrick Flavin:

Carbon and Energy Reduction Officer

Bethany Woodcock:

SU Communities Officer

Adetayo Opakulne SU President

Wednesday 24th

Macrame Jar Upcycling Workshop*

12:15-13:15

Join third-year Textile student Virag Erdelyi as she helps you repurpose a glass jar using an old T-shirt!

WALL-E Watch Party*

In collaboration with HudMovies and Disney Society
19:00

This U rated animated Disney Pixar film explores themes of pollution, waste and hope as it follows WALL-E, a solitary robot left behind on an uninhabitable trash ridden Earth. (You will need a Disney+ subscription or 7-day free trial to join)

Thursday 25th

Sustainability Accumulator

Join in the week-long Sustainability Accumulator, where you can complete simple actions to earn points to be in with the chance of winning a £10 voucher!

Visit www.hud.ac.uk/sustainability for more information and to download your quiz sheet.

Friday 26th

Textile Innovation for Sustainability*

12:30-13:30

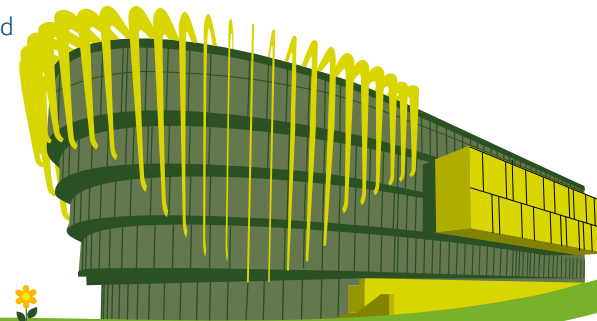

Join staff and students of the MSc Product Innovation with Textiles course as they explore innovative solutions

for a more sustainable future through research conducted at the Department of Fashion & Textiles.

Sustainability Resources
